### **ZORA RABOTEG-ŠARIĆ**

Zora Raboteg-Šarić is Scientific Advisor at the Ivo Pilar Institute of Social Sciences in Zagreb.

She heads the project on determinants of parenting, family relations and children's well-being. She received her PhD in psychology from the University of Zagreb in 1993. Her research interests include children's socio-emotional development, subjective well-being, relationships with family and peers, parenting practices, prosocial behaviour and problem behaviour. She teaches developmental psychology at the Department of Psychology, Croatian Studies, University of Zagreb.

She published books on psychology of altruism, single-parent families, quality of life of youth in war-affected areas, trafficking in women and children, co-edited a book on war and traumatic psychology and published over forty scientific articles. She is a member of the Council for Youth of the Republic of Croatia.
