

EUROPEAN CENTRE FOR SOCIAL WELFARE POLICY AND RESEARCH

Call for Video Animation to promote laws regarding the posting of workers Closing date: 10th May 2021

• **Content**: Animation and Design of an **Explainer Video on the posting process of workers** (For more detailed information: see brochure about the EU project POW-BRIDGE)

The explainer Video intends to explain the **step-by-step posting process** for Austrian employers who post employees to other EU countries.

Example: The Austrian company "FIXY" produces prefabricated houses and wants to send four of their own workers to a construction site in Slovakia to fulfil a work assignment. The explainer video provides all legal and administrative steps that the company "FIXY" must follow when engaging in posting processes. Among other things, the following points could be answered: What does the company "FIXY" has to report when posting workers? Which documents must the company "FIXY" transmit? What labour laws are valid for posted workers?

Additionally, the explainer video identifies and explains specific Austrian regulations for workers posted to Austria.

- Target group: Austrian and foreign employers, as well as interested parties
- Length of the Video: 2 3 minutes
- Language of the Video: German with English subtitles
- **Format**: Animation via simple animation technique (see the following Video as an example: https://www.youtube.com/watch?v=SC4-O8BmI4I)
- The script for the Explainer Video is provided by the project (can be modified on request) and should be animated with suitable graphical elements
- Further requirements: First and last sequence of the Video include EU logo and project logo
- Timeline: Expected completion of the Explainer Video is July 2021 (exact date to be negotiated).
