

**Call for Video Animation to promote laws regarding the posting of workers**  
**Closing date: 10<sup>th</sup> May 2021**

- **Content:** Animation and Design of a **Video on the posting process of workers** (for more detailed information on the project related to this call, see the POW-BRIDGE project website: <https://www.euro.centre.org/projects/detail/3633>).

The Video intends to provide **practical information and step-by step guide** for Hungarian employers who post employees to other EU countries.

**Example:** A Hungarian company wants to send four of their own workers to a construction site in Slovakia to fulfil a work assignment. The video provides all legal and administrative steps that the company must follow when engaging in posting processes. Among other things, the following points could be answered: What does the company has to report when posting workers? Which documents must the company transmit? What labour and social security laws are valid for posted workers?

- **Target group:** Hungarian employers, as well as interested parties
- **Length of the Video:** from 2 up to 5 minutes
- **Language of the Video:** Hungarian with English subtitles
- **Format:** Animation via simple animation technique (see the following Video as an example: <https://www.youtube.com/watch?v=SC4-O8Bml4I>)
- The script for the Video is provided by the project (can be modified on request) and should be animated with suitable graphical elements
- **Further requirements:** First and last sequence of the Video include EU logo and project logo
- **Timeline:** Expected completion of the Video is July 2021 (exact date to be negotiated).

For further information on this call contact Eszter Zólyomi ([zolyomi@euro.centre.org](mailto:zolyomi@euro.centre.org)).

Please send your offer in English to Judith Schreiber ([schreiber@euro.centre.org](mailto:schreiber@euro.centre.org)).
