

COORDINATE Transnational Access Visits (TAV) Second Call

29th August 2022 - 29th September 2022

The COORDINATE Transnational Access Visits (TAV) programme offers researchers in Europe, working in the area of child and youth wellbeing, the opportunity to visit (5-15 working days) and gain access to international birth cohort, panel and cross-sectional survey data residing in participating countries. Funding up to €1,250 per week is available to support the visit. The programme is open to academic researchers from PhD students to full professors, as well as policy practitioners and other researchers or analysts working in EU countries and associated states.

The consortium partners participating in the Transnational Access Visits, along with their available datasets are:

- Centerdata, Tilburg, The Netherlands: Longitudinal Internet Studies for the Social Sciences (LISS)
- European Centre, Vienna, Austria: Survey of Health, Ageing and Retirement in Europe (SHARE)
- Institut National d'Études Démographiques Paris, France: ELFE (Etude Longitudinale Française depuis l'Enfance), Pandora
- IPSOS, Berlin, Germany: EU Kids Online (EUKO)
- Manchester Metropolitan University, UK: Children's Worlds (ISCWEB), National Child Development Survey (NCDS), British Cohort Survey (BCS70), Millennium Cohort Survey (MCS), Next Steps (LSYPE), IPPR Tax-benefit Module
- Netherlands Interdisciplinary Demographic Institute, The Hague: Generations and Gender programme (GGP)
- University College Dublin, Ireland: Growing up in Ireland (GUI) & Children's School Lives (CSL)
- University of Essex, UK: British Household Panel Survey (BHPS), Understanding Society (UKHLS) and UK Data Service (UKDS)

We particularly welcome applications that are proposing cross-national comparisons through comparing datasets, for example, GUI and MCS.

HOW TO APPLY

For more information about the visits & the application form please visit <https://www.coordinate-network.eu/transnational-visits>

ELIGIBILITY

To be eligible, an applicant must satisfy the following conditions:

- the subject of the research proposal is related to child and youth research,
- the applicant must work in an EU country or associated country other than the country where the access visit will take place,
- the applicant must have a contract or affiliation with a recognised academic or public institution, a not-for-profit organisation, or a registered company in an EU member state or in an associated country which covers the duration of the visit,
- applicants not working in an EU or associated country are permitted to apply but are limited to 20% of the total amount of TAVs across all host institutions,
- researchers from COORDINATE partner institutions who are not involved in the COORDINATE project are eligible to apply for transnational access visits. However, as the objective of the project is to widen the network of researchers using child well-being data, a limited number of grants will be awarded to applicants from COORDINATE partner institutions,
- PhD students are eligible to apply, however, masters or bachelors students are not eligible.
