PERSONAL STATEMENT

Dr Niki Kalavrezou is a researcher in the Health and Care research group at the European Centre for Social Welfare Policy and Research. She studied at the University of Athens and the Athens University of Economics and Business (AUEB) where she completed her PhD in 'Economics'. She also holds a doctoral diploma in 'Health Economics and Policy' from the Swiss School of Public Health (SSPH+), Universities of Geneva and Lausanne. During 2014-2020 she worked as an economist for the IMF office in Athens in the context of Greece's fiscal adjustment programs. She has also worked as a senior researcher at the research foundation IOBE and a special scientific advisor at the Greek Ministry of Labour. She is a former PhD scholar of the Greek National Scholarship Foundation (IKY). Niki's research interests focus on health economics and policy, ageing, inequality, labour, education, and pensions.
