

Invitation

50th Anniversary of the European Centre in Vienna

The European Centre for Social Welfare Policy and Research in Vienna will celebrate its 50th anniversary this autumn. To mark this occasion, Minister for Social Affairs Johannes Rauch invites you to a formal ceremony, which will take place on 25 September 2024 at the Ministry of Social Affairs.

Minister for Social Affairs Johannes Rauch:

"The European Centre has been an important partner of the Ministry of Social Affairs for 50 years, providing evidence that informs our policy decisions. We particularly value the expertise of the European Centre in matters of international social policy."

Ceremonial Act: Federal Ministry of Social Affairs, Health, Care and Consumer Protection, Stubenring 1, 1010 Vienna, 25 September 2024, 4:00 PM

Key areas of activity for the European Centre include monitoring current trends in international social policy, bridging the gap between academia and policy, as well as between the EU and EU candidate countries in this critical field. A deeper insight into the activities of the European Centre, which has been based in Vienna since its founding in 1974, will be provided during the international invitation conference, "The Future of Welfare Policy and Social Research", on 26 and 27 September at the Vienna International Centre (UNO-City). Over 100 renowned experts from research and policy, representing more than 20 countries, will discuss topics such as the future of employment and labour mobility, long-term care in a caring society, and perspectives on social security and inclusion in an expanding Europe.

Conference: United Nations Office in Vienna (UNOV), Vienna International Centre, Wagramer Straße 5, 1220 Vienna, 26 and 27 September 2024
