

Curriculum Vitae

Dr. Renate Kränzl-Nagl, is lead researcher in the research area “Childhood, Youth and Families” of the European Centre for Social Welfare Policy and Research, located in Vienna (Austria). Renate Kränzl-Nagl, who is a sociologist by education, has extensive experience in several areas of childhood, youth and family research and policies.

She has been co-ordinating and engaged in many projects related to children’s welfare, participation of young people, the social situation of families and on issues regarding the promotion of children’s rights according to the UN Convention on the Rights of the Child on national and international level. Furthermore, she is knowledgeable in various methods of qualitative and quantitative data collection as well as in qualitative and statistical data analysis. In her research, special emphasis is given to child-friendly and age-adequate methods.

Renate Kränzl-Nagl participated in several conferences and expert meetings on international level. Moreover she is a member of several international networks and associations, eg. International Sociological Association (ISA), Research Committee “Sociology of Childhood”, German Sociological Association (DGS) Spokesperson of the Section “Sociology of Childhood” (1999- 2003), member of the network “Childwatch International” and “ChildONEurope”, member of the Austrian Sociological Association (ÖGS) and member of the Austrian Association of Interdisciplinary Family Research (ÖGIF). In addition, she was involved in the Council of Europe’s Working Party “Children, Democracy and Participation in Society” (from 2002 to 2004) as a consultant and she was nominated as a member of the Working Party “Parenting of Children at Risk of Social Exclusion” of the Council of Europe (from 2005 to 2006). She commands English and German.
